

ANNUAL Conference 2019

Improving the Quality, Effectiveness, & Efficiency of Cancer Care™

**March 21-23, 2019
Rosen Shingle Creek
Orlando, Florida**

Reserve an *NCCN Exhibition Guide Ad* or *Door Drop* Today!

The **NCCN 2019 Annual Conference** will reach more than 1,600 cancer care professionals and key opinion leaders in oncology.

NCCN Exhibition Guide

Advertising in the **NCCN Exhibition Guide** provides uncommon exposure to influential oncologists, nurses, and pharmacists, as well as health care publishers, health information technology professionals, patient advocates, and managed care personnel.

The **NCCN Exhibition Guide** will be inserted in the conference bags and distributed to all conference attendees. Additional copies will be available throughout the exhibition hall and foyers. A digital version will also be posted online at **NCCN.org/conference**, approximately one month prior to the NCCN Annual Conference. A digital version will also be available on the conference mobile app, easily accessed by all attendees and speakers.

NCCN Door Drop

Invite attendees to visit your booth, promote a service, or build brand awareness through the use of a door drop. Have your custom printed piece or flyer delivered directly to the rooms of NCCN conference attendees. All NCCN conference attendees staying in the NCCN room block will receive your custom door drop. Wednesday or Thursday evenings are available for door drops.

The National Comprehensive Cancer Network® (NCCN®), a not-for-profit alliance of 27 leading cancer centers, is dedicated to improving the quality and effectiveness of care provided to patients with cancer. Through the leadership and expertise of clinical professionals at NCCN® Member Institutions, NCCN develops resources that present valuable information to the numerous stakeholders in the health care delivery system. As the arbiter of high-quality cancer care, NCCN promotes the importance of continuous quality improvement and recognizes the significance of creating clinical practice guidelines appropriate for use by patients, clinicians, and other health care decision-makers. The primary goal of all NCCN initiatives is to improve the quality, effectiveness, and efficiency of oncology practice so patients can live better lives.
